

Behavioural Policy

At XYZ Music Academy, we believe in fostering a positive, respectful, and productive learning environment. Whether in one-to-one sessions, small group lessons, or whole class settings, we hold students to the same behavioural expectations as many Buckinghamshire-based schools.

Our approach is anchored in three key principles:

1. Ready

Students are expected to arrive prepared and willing to engage fully in their lessons. This means:

- Arriving on time.
- Bringing all necessary materials (instruments, sheet music, etc.).
- Being mentally and emotionally ready to learn and participate.

2. Respectful

Respect is the cornerstone of our academy. Students are expected to:

- Show respect to teachers, peers, and themselves.
- Listen attentively and follow instructions.
- Treat instruments and academy property with care.
- Contribute positively to the learning environment, ensuring everyone feels valued and supported.

3. Safe

Safety is paramount, and we expect all students to behave in ways that ensure the well-being of everyone involved. This includes:

- Following all health and safety guidelines, especially when handling instruments and equipment.
- Maintaining a calm and controlled demeanour in lessons, refraining from disruptive or unsafe behaviour.
- Being mindful of the physical space and the people around them. Application Across Lesson Types:
 - One-to-One Lessons: Students must engage respectfully with their tutor, ensuring they are focused, prepared, and attentive throughout.
 - Small Group Lessons: Students are expected to collaborate and support their peers, respecting diverse opinions and skill levels.
 - Whole Class Lessons: In larger settings, it is crucial that students remain attentive to both their teacher and fellow students, maintaining a respectful and orderly environment.

At XYZ Music Academy, we are committed to creating a positive and inclusive learning experience for all students. By adhering to the principles of being Ready, Respectful, and Safe, we can ensure a nurturing environment where every student thrives musically and personally.

This policy is fully endorsed by Duncan Lee, who stands behind our commitment to maintaining high standards of behaviour and learning at the academy.
