

XYZ Saturday Music School – Terms & Conditions

By enrolling a student at XYZ Saturday Music School, parents/carers agree to the following terms and conditions.

Programme Schedule

XYZ Saturday Music School runs on **Saturdays from 9:00am to 12:00pm** during published school term dates.

The programme runs from **September through to July** and includes **up to 38 Saturday Music School sessions per academic year**.

Saturday Music School does not run every Saturday of the calendar year. Exact term dates and scheduled sessions will be communicated by XYZ Music Academy.

Fees

The fee for Saturday Music School is **£70 per month**, payable from **September through to July inclusive**.

The monthly fee secures the student's place within the programme for the academic year and is payable regardless of individual attendance.

Fees are structured across the academic year rather than being charged on a session-by-session basis. Staffing, facilities, resources and programme costs continue whether or not an individual student attends a particular session.

Attendance

Regular attendance is expected and forms an important part of Saturday Music School.

Students are expected to attend all scheduled sessions wherever reasonably possible, as the programme includes group learning, instrumental tuition, ensemble work and preparation for performances.

Fees remain payable where a student is absent due to illness, holidays, family commitments or other personal circumstances.

Missed Sessions and Catch-Ups

XYZ Music Academy is not normally able to provide catch-up sessions, credits or refunds where a student misses a scheduled Saturday Music School session.

This is because the student's place, teaching provision and resources remain allocated to them regardless of attendance.

Catch-up opportunities may occasionally be offered at XYZ Music Academy's discretion but are not guaranteed.

Where XYZ Music Academy cancels a scheduled session, we will endeavour to provide an alternative session, suitable replacement activity or appropriate credit where necessary.

Tuition and Learning Resources

The monthly fee includes all scheduled Saturday Music School tuition.

The programme may include music theory, music history, singing, ensemble activities and practical experience across a range of instruments.

Any **tuition books or learning materials required by XYZ Music Academy for the student's instrumental learning** are included within the programme fee.

Recitals and Performances

Students will have opportunities to participate in recitals, concerts and performances throughout the academic year.

Standard recital and performance participation costs are included within the monthly fee.

Where an optional external event, trip or activity carries an additional cost, parents/carers will be informed in advance and participation will be optional.

Programme Changes

XYZ Music Academy reserves the right to make reasonable adjustments to session times, teaching groups, tutors, programme content, instruments studied and performance arrangements where necessary for the effective running of Saturday Music School.

Ending a Place

Parents/carers wishing to withdraw a student from Saturday Music School must provide **one calendar month's written notice**.

Fees remain payable during the notice period.

XYZ Music Academy reserves the right to withdraw a student's place where fees remain unpaid or where behaviour significantly disrupts the learning, wellbeing or safety of other students or staff.

Acceptance

Payment of the first monthly fee and continued enrolment in Saturday Music School will be treated as acceptance of these terms and conditions.
